THE TIGER

1965

*Princeton High School
Princeton, West Virginia*

In a busy world filled with fear of nuclear war, communist invasion, and the space race, Princeton High School still has time for happiness. Here, in our own corner of the world, we know the value of a smile and want to show the world what

HAPPINESS IS!

FOREWORD

HAPPINESS IS a phrase with different meanings to different people. It can be defined only by each individual for happiness comes in many forms . . . in a job well done, in excelling in a class, or in athletic triumphs, or in a full and active life.

At a time when we need to be reminded that our world is ever-changing and that we must have the maturity to face it without qualms and the flexibility to change with it; it is reassuring to know that happiness exists all around us and through us.

It is a pleasure to compliment the annual staff on its choice of the 1965 theme "Happiness Is". As sponsor of this book I feel that they have defined our school well and that they have given individual recognition in the appropriate places. May I submit to you that "Happiness" is not often recognized or appreciated until it is lost. We the staff of your school yearbook sincerely feel that here on these pages we have captured a permanent bit of happiness for you to enjoy in future years.

DEDICATION

The teaching profession is one of honor. It holds a high position in the world of today for it develops the world of tomorrow. The men and women who serve as teachers to the youth of the world perform their services often with little recognition or expression of appreciation. Increasing public interest in providing modern equipment, pleasant surroundings, adequate salaries will bring into and hold in the profession qualified young people.

In appreciation of your high ideals, we the staff of the '65 TIGER, dedicate this book to the teaching profession, especially that of PHS. We extend heartfelt thanks for the interest you have shown in students and the inspiration we have received.

HAPPINESS IS learning under devoted, dedicated teachers.

HAPPINESS IS paying tribute to our teachers and expressing our gratitude for their efforts.

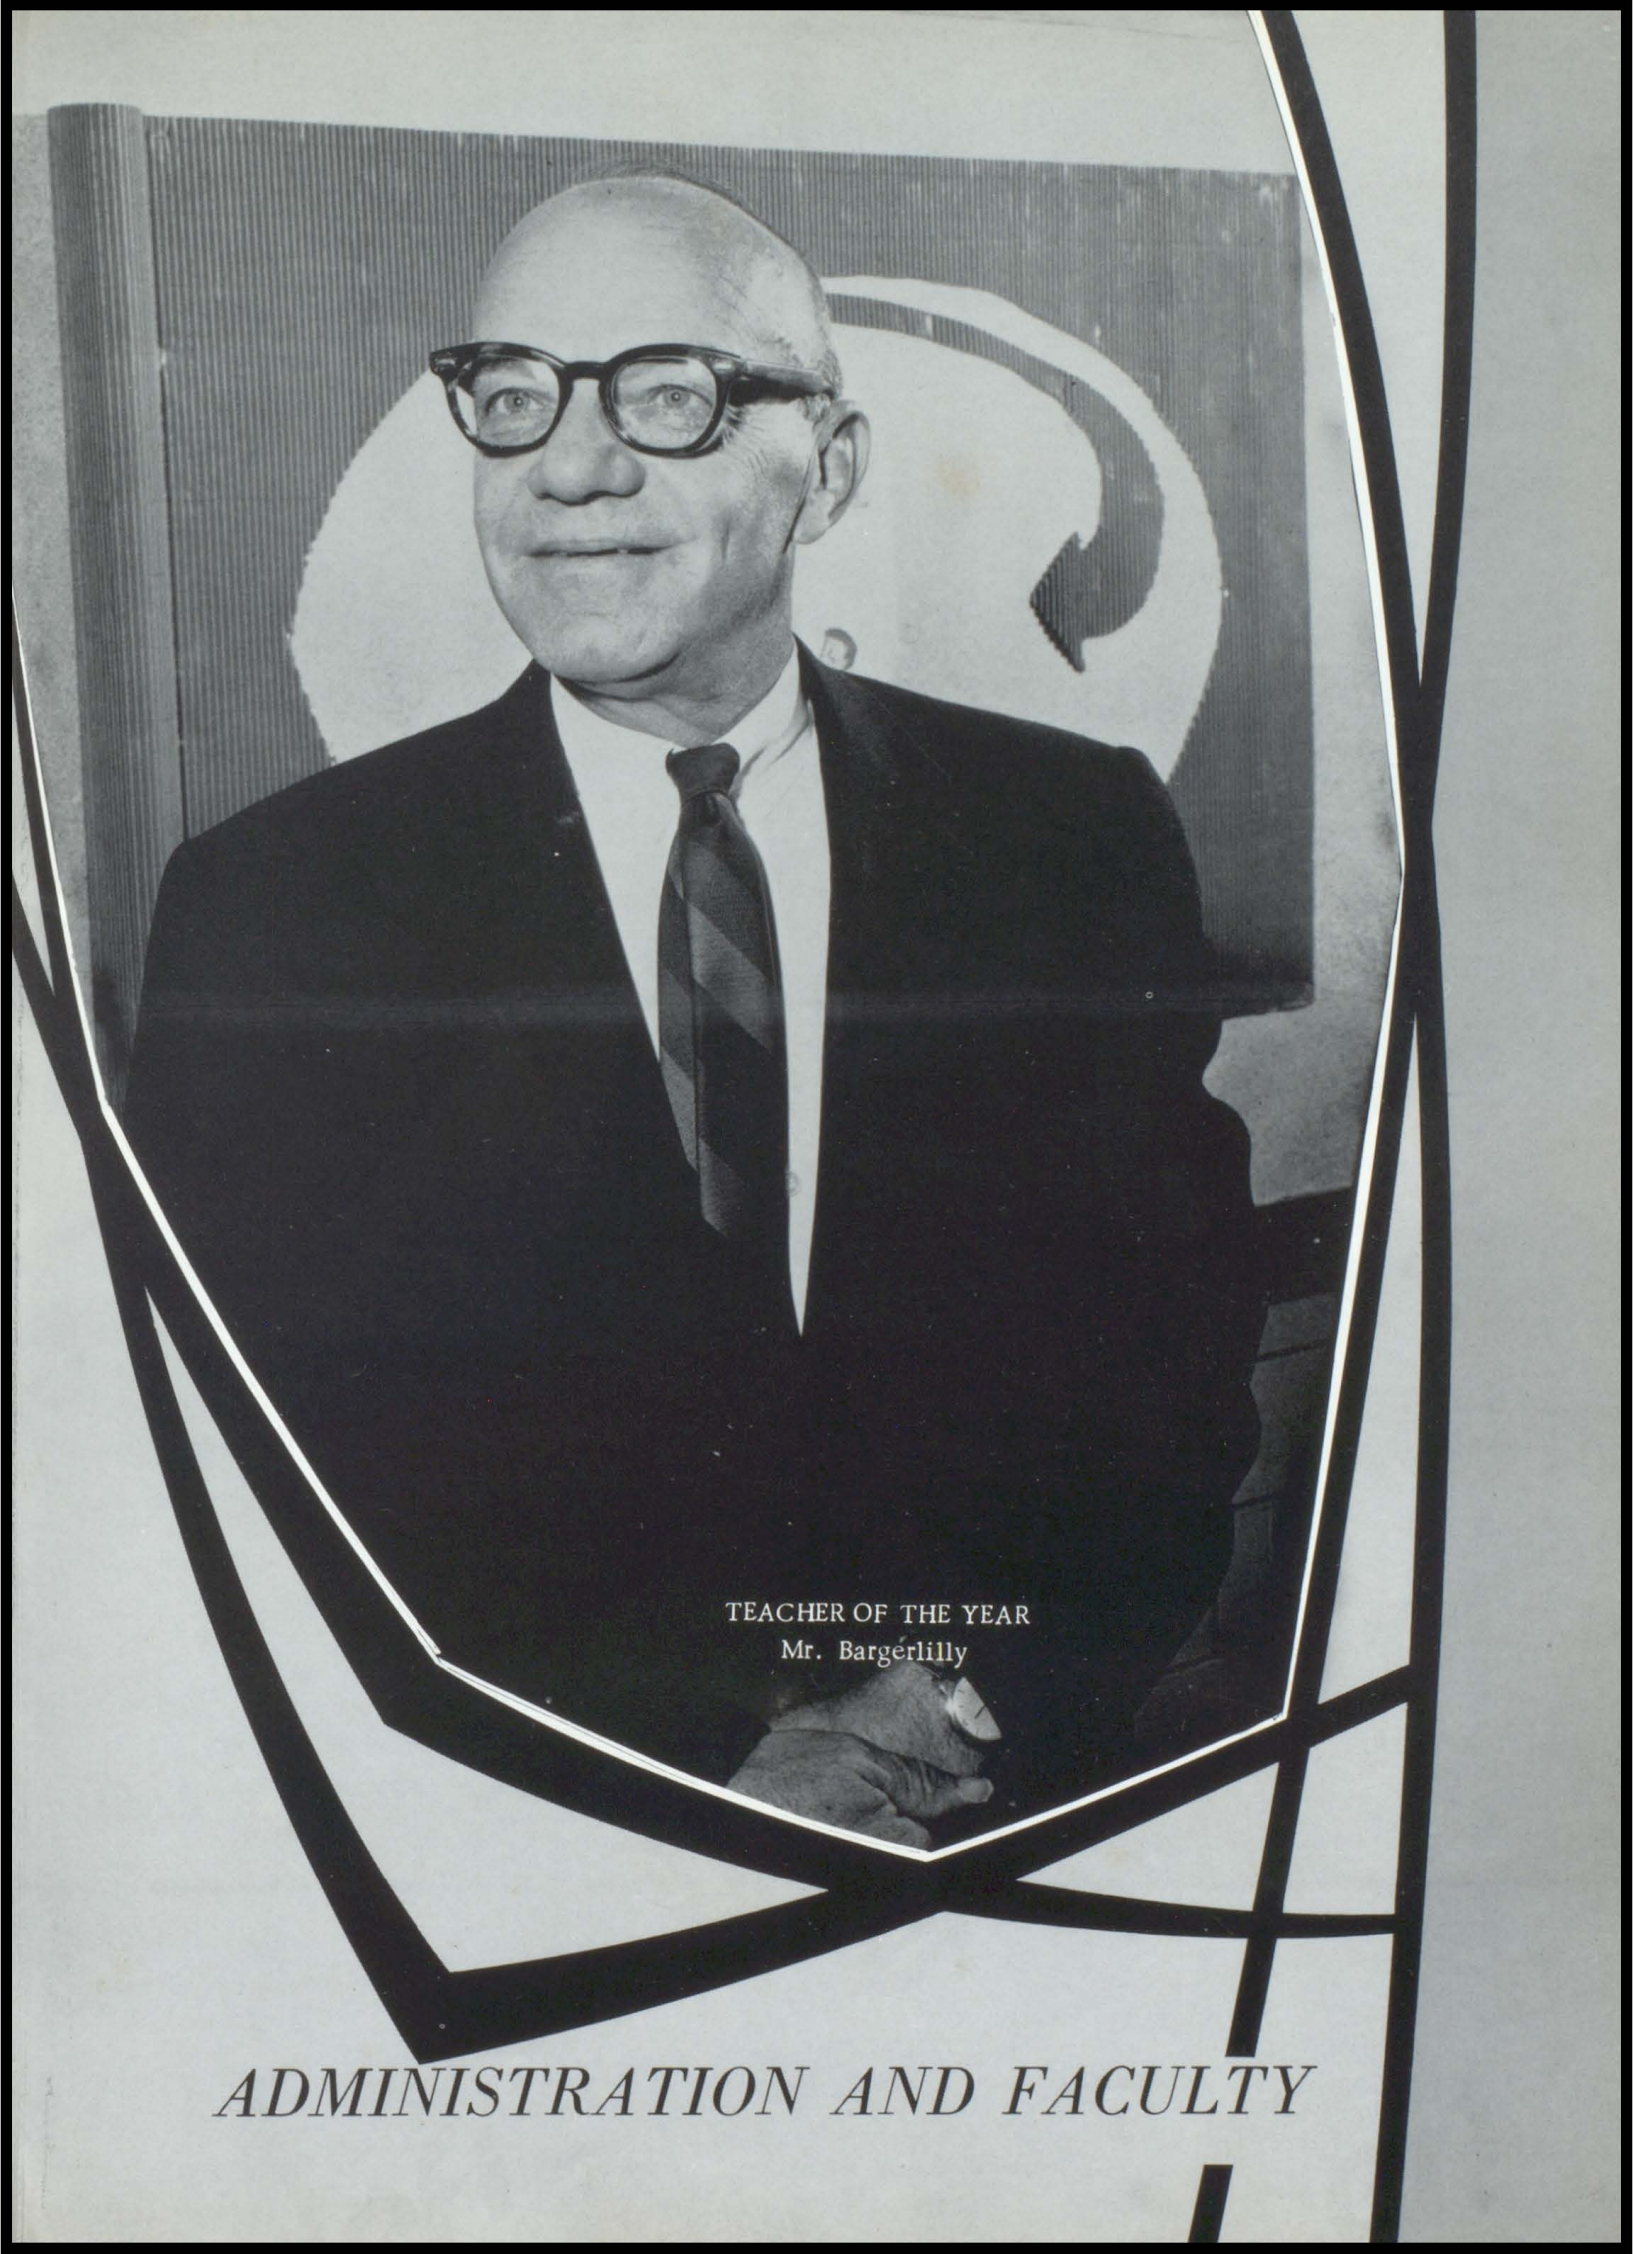

HAPPINESS IS dedicating oneself in unselfish service to "building for eternity".

"A Teacher affects eternity; he can never tell where his influence stops."

(The Education of Henry Adams)

ADMINISTRATION AND FACULTY

FUTURE TEACHERS OF AMERICA

The Future Teachers of America is an organization which seeks to train young people for professional and civic leadership by encouraging them to cultivate in themselves the qualities of personality and character which are the foundations of successful teaching. It is an organization which strives to create more and better teachers.

Because this edition of the TIGER is dedicated to teaching we felt that our future teachers deserved a place of honor too.

PRINCETON HIGH SCHOOL PRINCIPAL

Mr. Robert Kight

This man's happiness comes in the realization of a job well done. There is no problem too small for him to listen quietly and diagnose. If he does not have the solution you always walk away with the feeling there's someone who cares.

ROBERT L. KIGHT, Principal

R. H. HARVEY, Ass't. Principal

To the Class of 1965

Dear Seniors,

With the closing of this school year, you have completed one of your early goals. It is my hope that this is only an intermediate step and that you now set your sights on higher and more advanced goals. There is so much before you; don't let the little and the petty restrict your horizons as you shoot for new heights.

You have kept the P.H.S. traditions bright and shiny; you have added immeasurably to the history of the school by your many accomplishments. Princeton is justly proud of its senior class of 1965.

It is the wish of your friends, the P.H.S. faculty, that the years will treat you kindly and that you might have God's blessings in the life before you.

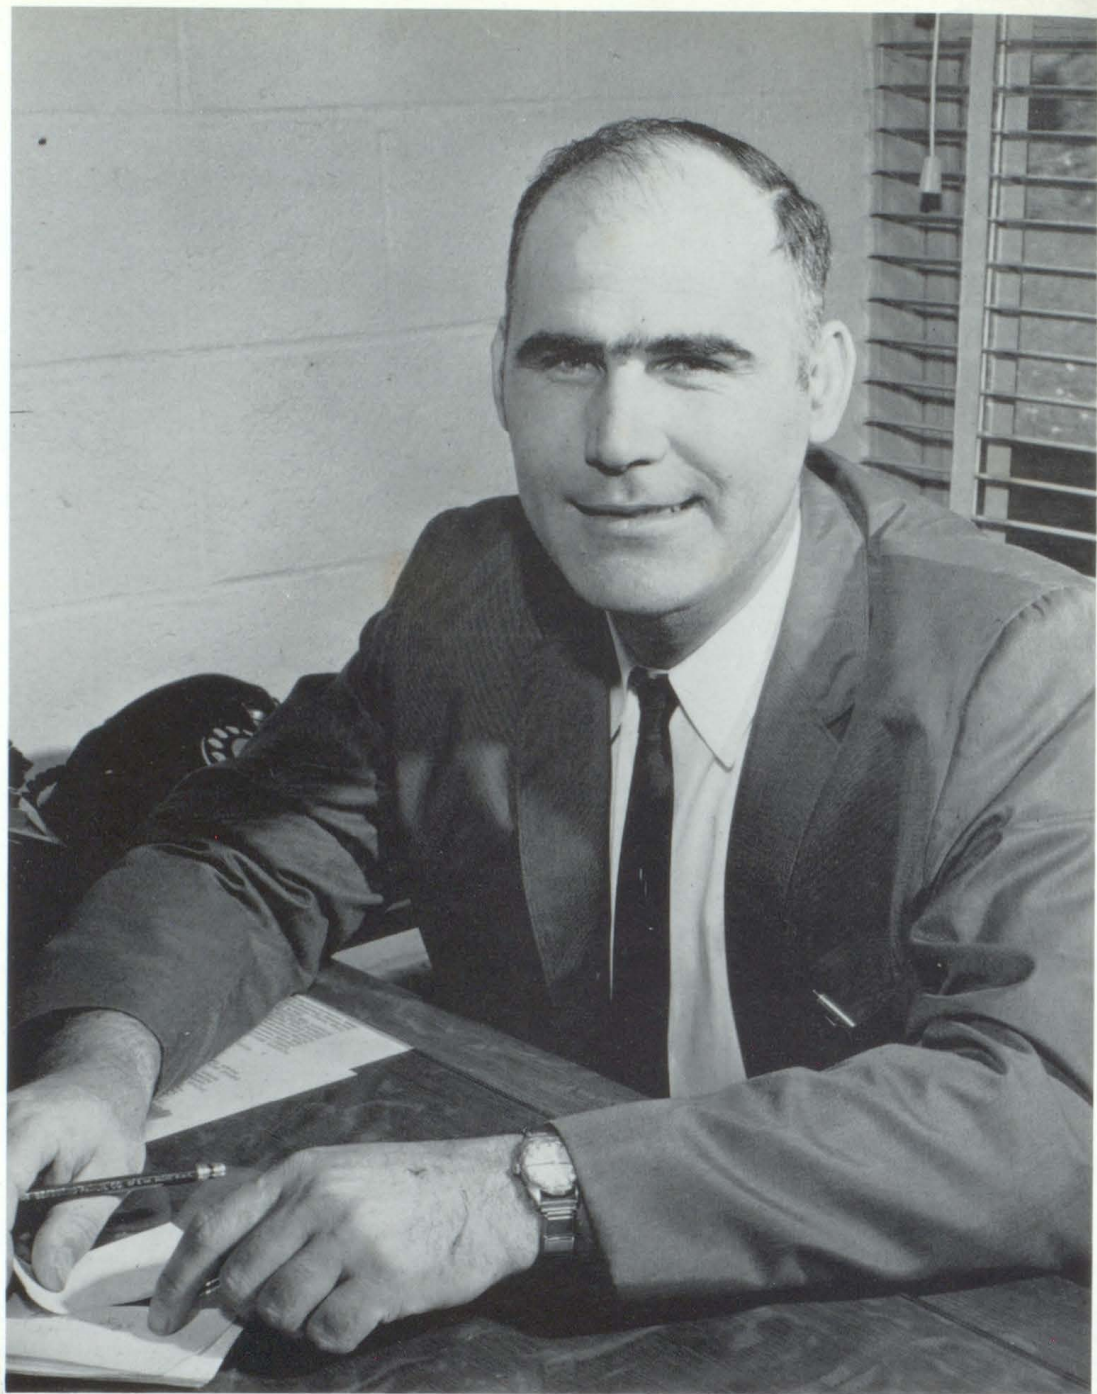

Sincerely,

Robert L. Kight

Mr. Howard Harvey
Assistant Principal

Mr. Howard Harvey is well equipped for his job as assistant principal. He is successful in coping with the experiences which confront an assistant principal. Every day he deals with student problems, supervises school activities, and maintains strict discipline in a fitting blend of authority and understanding.

Mrs. Riccardo Martin
Guidance Counselor
Senior Class Sponsor

Recording statistics and scores, planning Career Day and College Day, writing recommendations and records--nothing in Mrs. Martin's busy schedule takes precedence over guiding students. As a counselor and a friend, she gives services which we greatly appreciate.

We, like a nation, must be governed and counseled by wise and conscientious leaders. To our leaders, we look for essential guidance and advice. Our administration and faculty strive to enlighten our minds, create and mold our character, and instill in us a desire for additional learning. Unselfishly the PHS teaching staff sacrifices time and effort in planning of our classroom activities and they spend countless hours sponsoring our extracurricular organizations.

As we pause to give well-deserved recognition, we extend sincere thanks to our leaders, our sponsors, our friends for their untiring devotion. HAPPINESS IS GRATITUDE FOR SUCH SERVICE.

HAPPINESS IS . . .

BEING ELECTED TEACHER OF THE YEAR BY THE 1965 GRADUATING CLASS.

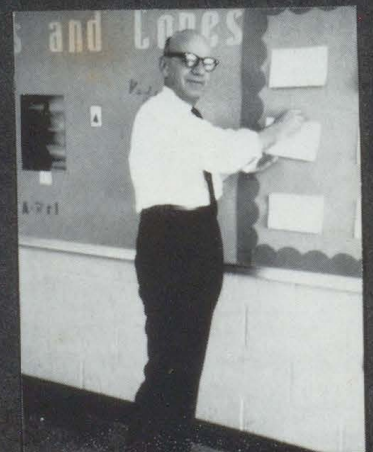

We quote the Seniors as they bestow this honor on Mr. Barger Lilly: "He is always cheerful and can keep perfect order in his classes without undue stiffness and formality." --"He is very much interested in every student and is never too busy to provide extra help for anyone." --"He shows interest in all school activities and is always willing to do more than his part." --"He makes his classes interesting and inspires us to learn." --"He has influenced my thinking more than any other teacher." --"He has a great attitude toward life and loves teaching." --"To me he gives the impression that his whole life is based on the students at PHS." --"He always has a smile on his face and gives credit where it is due." --"He has trusted us; therefore we must honor him." --"He has a unique style of teaching." --"He is very efficient in all endeavors and strives to present a class that is interesting and profitable." --"He is a fine all-around gentleman."

GIVING CREDIT TO SUCH A DESERVING PERSON.) 17

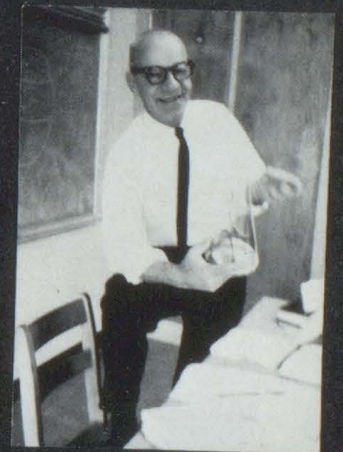

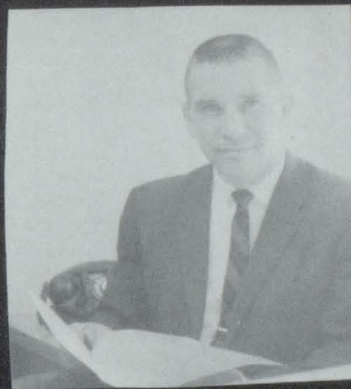

MANY MOODS

MANY FACES

The happiest picture in our yearbook is that of Stanley Shultz, Custodian, as he accepts a token of appreciation upon his retirement. Our cooks and custodians deserve much recognition for their service to the school. Through their generous effort, they have made our days at PHS more enjoyable. HAPPINESS IS brought to PHS by such industrious and happy people.

Miss Ruth Wall, Sponsor
National Honor Society

HISTORY OF THE RUTH HUGHSON CHAPTER OF THE NATIONAL HONOR SOCIETY.

The National Honor Society was organized in Princeton High School in the fall of 1930 with nine charter members. The sponsor was Miss Ruth Hughson for whom the chapter was named. Two inductions were held in succeeding years through the spring of 1956. Following the death of Miss Hughson in the summer of 1956, the Hughson Chapter became inactive.

On April 7, 1965, the National Honor Society was reactivated in our school with the induction of 30 seniors into membership. The group is pictured below.

The object of the Hughson Chapter of the National Honor Society is to create enthusiasm for scholarship, stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Princeton High School.

This new chapter will maintain the original name; The Ruth Hughson Chapter and its new sponsor will be Miss Ruth Wall.

On May 19, 1965, other new members were inducted into this society. After the introduction by President Mack Cyphers, members of the Society explained the four qualities upon which membership is based. Speeches on scholarship, service, character, and leadership were given respectively by Tom St. Clair, Pam Pennington, Edward Effron, and Francis Selig. Pledge to the new members was given by Cheryl Cuppett, secretary of the chapter. Sharon Lawrence explained the colors of the society and Vice-President Lowell Lewis described the emblem. The program also included a vocal duet, "Follow the Gleam," by Francis Manning and Pam Pennington.

The emblem of the National Honor Society is a keystone which holds the flaming torch of learning and at the base of which are the letters for the four cardinal principles of the society. The flower is the yellow rose and colors are blue and gold.

THE NATIONAL HONOR SOCIETY

WORLD AFFAIRS INSTITUTE

This year the principal and the teachers selected an outstanding history student, who has an interest in world events to attend the World Affairs Institute at West Virginia University.

Approximately 400 students from both public and private schools out of Maryland, Pennsylvania and West Virginia attended the meeting.

Diana Arrington, a senior from Princeton, was sponsored by the Princeton Rotary Club to the two day event this year.

STATE GOVERNMENT DAY

Barbara Lambert and Kenneth Ferris, Juniors, were selected by the Social Studies teachers to represent Princeton High School in the annual "Know Your State Government Day" which was held in our capitol, March 1, 1965.

This event provides an excellent opportunity for students to secure practical experience through actual observation of our governmental processes.

These students were introduced to the Governor of West Virginia and toured our Capitol.

STUDENT GOVERNMENT DAY

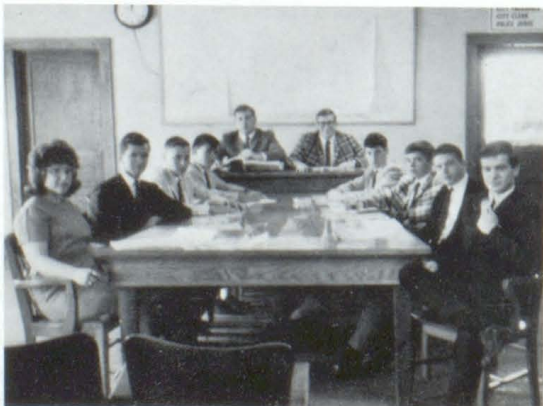

On May 5, 1965, Princeton High School students, elected by the student body, took over our city for the day. This is an annual event which serves the same function as State Government Day on the city level.

HAPPINESS comes from working in a career where one is best suited. We hope that this conference helped to guide many toward the right choice in a career.

Without doubt Mrs. Riccardo Martin chose the correct career for herself. Her guidance has been an inspiration to P. H. S. students for a number of years and her HAPPINESS transfers to those students she guides.

CAREER CONFERENCE

The Guidance Department of Princeton High School, under the direction of Mrs. Riccardo Martin, annually sponsors a Career Conference. On this day representatives of many various local businesses confer with Junior and Senior students on career possibilities. The Conference has always been a highlight of the year for Seniors and this year Juniors also participated in the event. A few of the thirty consultants are pictured below.

TIGER REVIEW

MISS LOUISE GENTRY

PHS won two trophies in forensic events. Awards presented concluded the three day competition. Approximately 304 students from 50 high schools participated. Barbara Lambert, Junior, won second place in the field of public address, "oratory". Ken Coleman, Senior, won second place state honors in radio announcing. Both Barbara and Ken received trophies for their excellence. In the field of drama, Rebecca Kidwell was named first runner-up state best actress. Lowell Lewis and Rebecca were named to the All State Cast. Both received silver medals.

The Masque and Gavel and members of the Tiger Review Staff would like to honor our sponsor Miss Louise Gentry. To measure the amount of time she has given would be impossible. It is because of her leadership that we have excelled in State Forensic tournaments. Our thanks to Miss G. and her red checked apron!

Tiger Review is a weekly radio show broadcast over WLOH radio station. It is produced and directed by the students in Public Speaking II under the guidance of Miss Gentry. We must also say thanks to Miss G. for the special holiday programs that her groups present to the student body on all holidays.

TERESA HAMMED, a senior at Princeton High School, was chosen to receive a Board of Governors Scholarship in Speech from West Virginia University.

ART CLASS - Mrs. Dean L. Husmer

Classrooms provide the basic program at PHS. The students' daily lives center around class work. Here, we find the guidance we are seeking and the recognition for which we are striving. We feel that the teachers of PHS and all the teachers over the world have given us this guidance and recognition through their wise, conscientious leadership. They have formed hopes, goals, and dreams in us that will serve as guides to our future.

Athletics are an integral part of student life at Princeton High School. Our days are filled with excitement and expectations. For athletes, participation in a varsity sport is challenging and rewarding; for spectators, attending the games and cheering the Princeton Tigers brings excitement. Happiness is developing school spirit through our athletic program.

ATHLETE OF THE YEAR

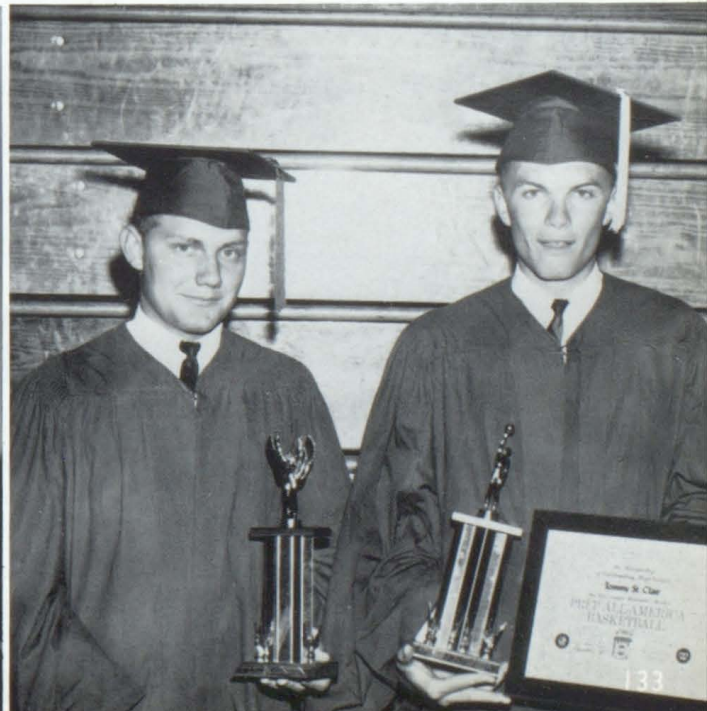

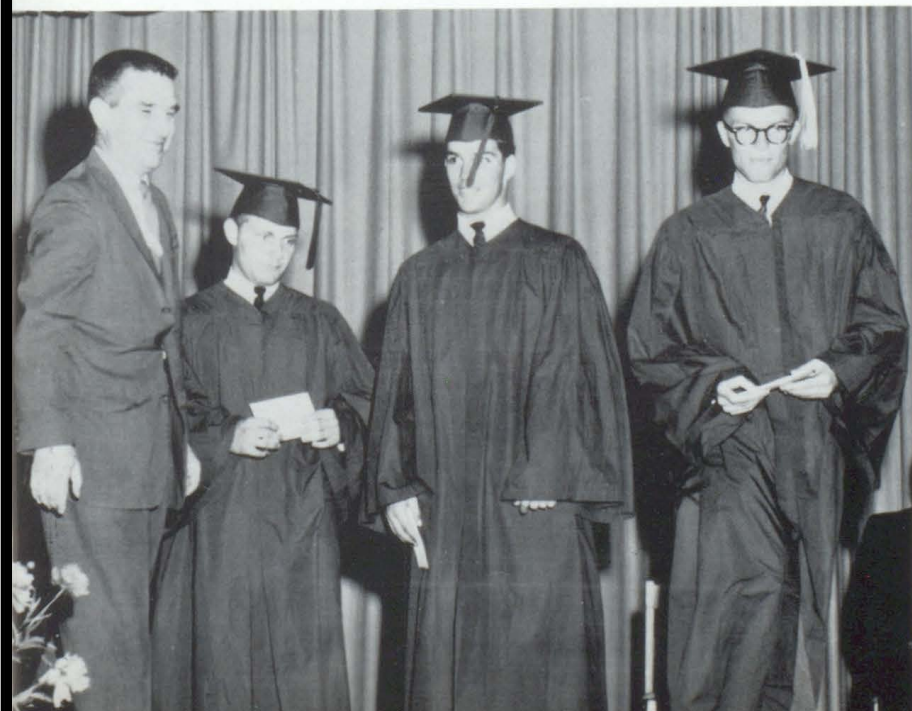

Preston Herring was selected as ATHLETE OF THE YEAR at Princeton High School. Preston has participated eagerly in football, basketball, track and baseball during his three years at PHS. He has received three letters in football, two letters in basketball, one letter in baseball and one letter in track. Preston made all-county team in both football and basketball.

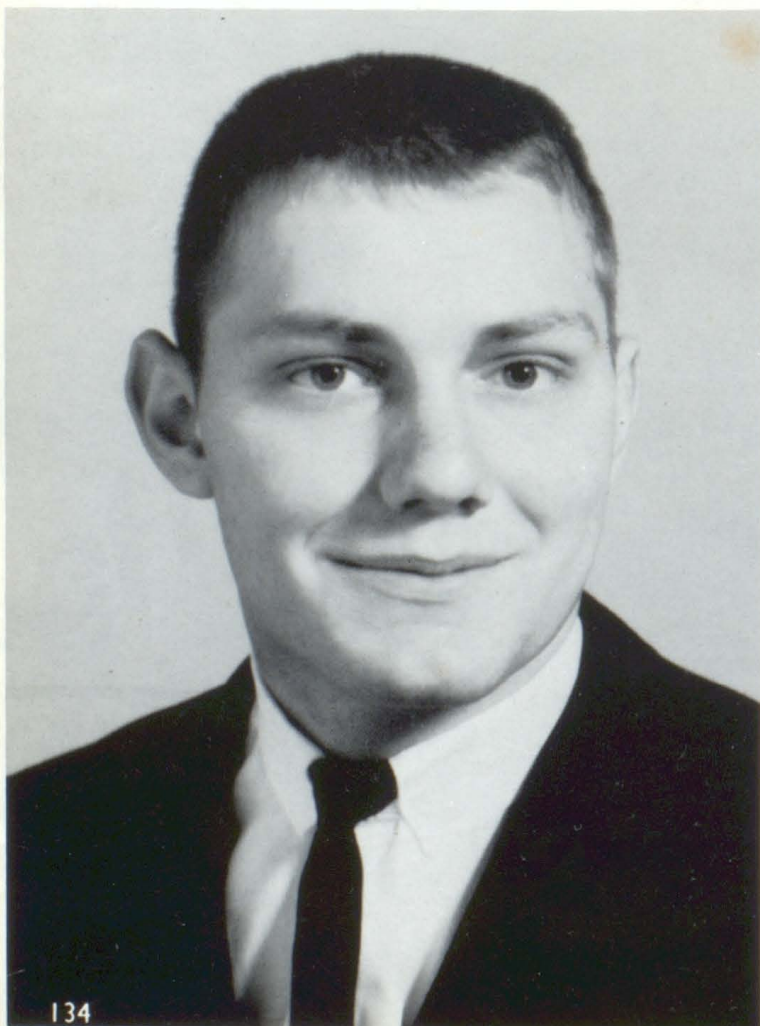

Tommy St. Clair, a 5'11" senior, was selected as PLAYER OF THE YEAR in basketball. Tommy made the ALL-COUNTY TEAM and the ALL-AREA TEAM. He was chosen as STATE PLAYER OF THE WEEK and was named in the All Coalfield Conference. Tommy received honorable mention in the all American-Coach Magazine. He has been an outstanding player in Mercer County and made third team in All-State. This year he has hit an average of 28.3 points per game.

HAPPINESS IS recognizing such outstanding athletes at our school.

The purpose of our yearbook is to record the many momentous events of the year, and to present a complete picture of our school life at Princeton High School. Each student holds a special place in the activities of our school, and each is very deserving of recognition in this, the record of our school memories. We sincerely hope that we have succeeded in preserving the outstanding moments of your life at PHS.

We have all had moments of disappointment but for the most part our experience has been a very happy and exciting one. We have all attained cherished friendships, and have shared moments of joy and happiness which will hold a place in our hearts forever.

We, the annual staff of the 1965 TIGER, hope our efforts will serve to help you remember what HAPPINESS was... at Princeton High School.
