# FOOTBALL

During the 1978-79 football season the Tiger team put together a 5 win — 5 loss record. Some of the highlights of the year were the wins over Logan, Greenbrier East, and Mount View. Disappointments came by losing four games by only six points. When asked how he felt about the season, Coach Pack commented that he was pleased with the way the team worked together and he felt that they played well in every game. The coaching staff is looking forward to a better 79-80 season.

# TRACK

Warming up with stretch exercises before the meet are Dennis King and Mark Howard.

This past year the track team captured second place at the Bluefield Daily Telegraph Relays as Mark Howard set a school and meet record of 4:34 in the mile run. At the Princeton Elks Invitational Howard also set a meet record of 4:37.8 in the mile run and another meet record of 10:07.5 in the two mile run. Coach Pack's two mile relay team did well as Mike Rachel, Dennis King, Bill Hubbard, and Dale Hubbard gave their best effort. In the discus throw competition, Dale Rice contributed to the Tiger cause as he dominated this field. With a display of brotherly cooperation, Freddie and Todd Browning combined talents in the shot-put category greatly aiding the Tiger team score.

Mark Howard exhibited excellent athletic ability as a member of the Princeton High Track team. Honors awarded to Mark were selection to the All-County, All-Conference, All-Region, and All-State Cross Country teams.

"We had a very competitive and successful year" was the comment of two-year tennis coach Tom Bailey.

Bailey could not have summed it up any better as the Princeton Tigers tallied an undefeated season and sent four of the six players to the state tournament. Junior Kevin White stole the show at the second seed position by becoming the 1979 state tennis champion. Including regular season play and tournament play, White completed the season with an unblemished record of 15-0. White defeated four opponents before sweeping the finals by a score of 6-4 and 7-6.

Also participating in the state tournament were Jon Lovern, Barney Parkey, and Steve Hodge.

Senior Jon Lovern went undefeated in regular season play and was runnerup in the regional tournament. Lovern was defeated in the first

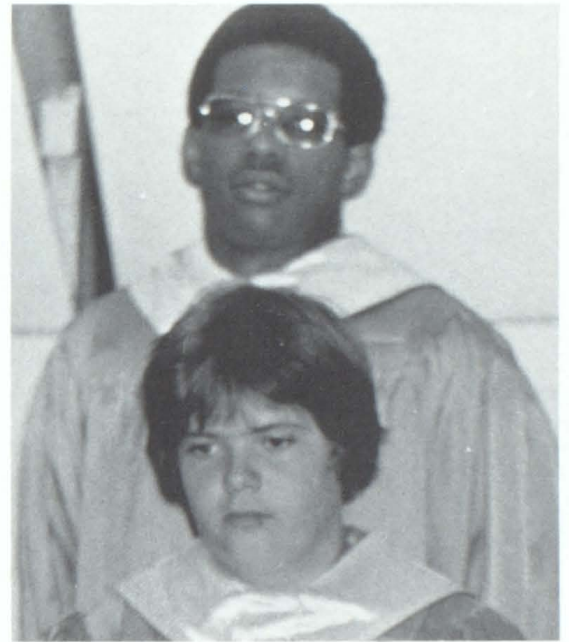

round of the state tourney by a score of 8-2. Junior Barney Parkey completed his regular season and tournament play with a 10-1 record. Parkey's only loss came in the first round of play.

Also performing well all season for the Tigers was Steve Hodge. Hodge completed the season with an 11-1 record.

Senior Scott Burton placed fourth in the regional tournament while junior Zane Phlegar lost a very close match in the first round of regional play. Inexperience plagued the girl racketeers in this spring's season, but Coach Bailey hopes his four returning players will lead the girls to a winning season.

Staff members of the Tiger Tribune are dedicated to presenting news with an objective viewpoint. This year the newspaper staff published nine newspapers. The December issue contained sixteen pages, the first paper of that size published at PHS.

In addition to publishing "The Voice of Princeton High School," staff members spread Christmas cheer with candy and conversation to patients at Princeton Community Hospital.

To improve future newspapers, the Tiger Tribune participated in the Quill and Scroll, Columbia Scholastic Press Association, and High School Press Institute journalism competitions. The Tiger Tribune has successfully served as a vocal outlet for PHS students and faculty as well as the surrounding community.

After accomplishing near perfection through many hours of practice, the majorette squad captured the respect and admiration of the TIGER fans.

Julie Stafford was city treasurer and meter maid was Tracy Jefferies. Policemen were Janet Cartwright, Dale Rice, and Keith Reed; firemen were Keith Bailey, David Turpin, and Peggy Shutt; secretaries were Dawn Trail, Faye Rumburg, and Cindy Morgan. Others included Lee Croyle, police chief; Eddie McKay, recreation director; Jack Lee, city judge; and Denny Spangler, fire chief.

Students of the Month were chosen by the Student Council based on criteria of leadership, scholarship, and contribution to the overall activities of the school. At the end of the school year, two students were voted Students of the Year. This honor belonged to Vicki Morgan and Tammy Lusk. Vickie, an example of what qualities a Student of the Month should possess, was second in her graduating class and held membership in the Honor Society, PHS Band, and was one of the two PHS Merit Scholarship semi-finalists. Tammy also illustrated superior talents as a member of Keywanettes, French Club, and Honor Society. Plus, she was named finalist in Feature Writing category at WVU Journalism competition.

All the students chosen this year made contributions in some area of activities to the honor of not only themselves but, more importantly, to the growth and development of the student body at Princeton High.

## SENIORS' FAREWELL

Dear Juniors, Dear Classmates  
Commencement is near;  
We are now leaving  
Dear Princeton High School,  
Where knowledge and learning  
Intermingled with fun  
Has given fond memories,  
Of things we have done.

No more will we cheer  
At the Tiger's ballgames  
No more happy laughter  
At a school holiday.  
No more will we quarrel  
When test day is due;  
To our Alma Mater  
We bid fond adieu.

It's almost tomorrow  
Good-bye yesterday,  
Time is slowly fleeting,  
We must be on our way.  
So long underclassmen,  
Take care of our school;  
Good-bye all our friends,  
We are now leaving you.

—Marcia Gilreath.
